

Leadership Crawford County 2017

Leadership Crawford County was established in 1982. A program of the Pittsburg Area Chamber Foundation, the program began a rich tradition of leadership development that has continually evolved to offer participants a quality and timely leadership development experience.

This year's program is sure to provide participants with a wide variety of experiences including community awareness, leadership skill building, and professional relationship development.

Leadership Crawford County provides participants with an ***individual*** leadership experience, together with a ***team*** of newly formed colleagues on a journey of ***community*** awareness and civic engagement.
